

Congratulation Moagi!

Moagi Mokgosi and his company Webscape (Pty) Ltd is the creator of Y Care's new website.

It's a very fruitful and encouraging partnership Y Care has with Moagi. His eagerness and skills to meet his customer's needs and wishes has resulted in the website we have today.

When we got the news that Moagi had been awarded P70,000 from KBL's Kick Start Programme, we were very proud to have him and his company as our web designer.

Congratulation to the award and good luck in the future!
