

From Reneetswe Orphange Centre:

“Greetings from me, Father Lawrence and also on behalf of the children of Reneetswe, Happy Home Orphan Centre and the Board members.

Your gift came at the right time and is of great assistance because it helped a lot on feeding children most, getting gas cylinder and allowance for the volunteers. What is left we will use to start the year with. Unfortunately I didn't bring with me photo of the kids with me but will prepare something and send through post although that might most properly be after holidays.

The Centre is still doing well and number of children on average is 80. With support from such God given Angels like you good people I believe Reneetswe can grow and you will see the mark you make in our society. Thank you very much for such great love from you. God bless.

I will be transferred to Kgale with the effect from the beginning of February and another priest by the name Fr Steven T. Takongwa will carry on what I have been doing to make Reneetswe to go for more years and help all these children.

*I and the rest of Reneetswe family wish all Y Care Charitable Trust members
HAPPY X-MAS AND PROSPEROUS NEW YEAR“*
